Bottom-Load Cooler

The Bottom-Load Storm water cooler means no more lifting heavy bottles, just open the front door and the bottle slides into the base of the cooler with little effort. The Storm features an easy to remove reservoir system, that takes less than a minute to change. The LED indicator tells you when it needs to be replaced. Servicing has never been easier. With its contemporary design, attractive finish, concealed faucets and easy maintenance, the Storm is sure to dazzle in any environment.

Features

- Matte black finish, with stainless look accents and a sliding front door
- Holds bottle sizes 11, 15 and 19 litres (3, 4 and 5 gallons bottles)
- LED light over faucet area, LED – replace bottle indicator light
- SmartFlo™ Water Cartridge – replacing is simple, quick and hygienic
- Ergonomic – higher dispense point
- Commercial grade and quality construction
- Large dispensing area for coffee pots and larger water bottles
- Can also be POU/mains-fed (order separate Storm POU conversion kit)
